

KONTROLIT

Leak detector

PRODUCT DESCRIPTION:

Kontrolit leak detector is an environmentally friendly, aqueous liquid for quick and reliable detection of leaks in pressure containers, gas and water lines, valves, tyres, brake systems and compressed air systems. Kontrolit is non-greasy and protects against corrosion. Kontrolit does not react to gases or refrigerants, making it suitable for flammable gases and oxygen.

BENEFITS:

- high-quality corrosion protection
- DVGW approval number for all gas types
- food-safe
- sprays in all positions
- non-flammable
